

HOW TO **COME** **OUT OF** **NOWHERE** WITH CANON WING

Tagline Conclusion *Transcript*

I hope you enjoyed our walk and talk throughout the city streets of Las Vegas, and learning about the superpower of your tagline. Now that you know just how to create taglines that won't suck the life right out of your brand, and that will in fact invite your ideal individuals to the party, the way of life that only your brand can afford them, then you are ready to come out of nowhere and become an Inspiration to Millions. One more thing. You're going to want to download the worksheets below for the full exercises on how to create your brand. I enjoyed walking and talking with you. Until next time, love what you do, and love how you do it.
